"We understand that these fees all have a good idea as to what it amount to approximately \$8,000 means. There has been a whole during the two years Mr. Akers has been in office. They are in the state treasury, and not in his own charge. Under the interpre-tation of John Dawson, or his office, Mr. Akers can legally put that \$8,000 in his pocket; under the moral law as interpreted by an honest conscience he is not entitled to a cent of it. We do not know whether he is going to govern himself by John Dawson's law or Almighty God's law in this matter, but if he intends to put that money in the general fund of the state where we think it ought to be put, the people of Kansas should demand that he do it NOW,
